

【受付可能期間早見表】

The diagram illustrates the timing of application periods and usage dates over three consecutive years (令和3年度, 令和4年度, 令和5年度). The vertical axis on the left represents the '受付可能期間' (Application Period), while the horizontal axis shows the months from January to May for each year.

Legend:

- 受付期間 (Application Period):** Represented by blue arrows pointing right.
- 利用日 (Usage Date):** Represented by grey rectangular boxes.
- 1日開始 (Starts from 1st day):** Indicated by a small box labeled '1日開始' placed at the start of each blue arrow.

Key Observations:

- 令和3年度 (Year 3):** Application period starts on 15日 (Day 15) of the month, and usage date follows on the next day (16日).
- 令和4年度 (Year 4):** Application period starts on 1日 (Day 1) of the month, and usage date follows on the next day (2日).
- 令和5年度 (Year 5):** Application period starts on 1日 (Day 1) of the month, and usage date follows on the next day (2日).
- Overlap:** The application period for Year 4 overlaps with the usage date for Year 3. The application period for Year 5 overlaps with the usage date for Year 4.
- Timing:** The application period for Year 5 begins on the same day as the usage date for Year 3.
